Coaching Services consist of:

• Unlimited – 45 minute phone session with assigned Korn Ferry career coach

The Coaching Services offered by Korn Ferry are intended to be of a general nature for the purposes of providing assessment feedback, offering industry guidance, general resume advice and potentially identify roles that may be of interest to you. You should not provide us with confidential information about you, your current employer or any third party. Any information you provide during Coaching Services may be used by us for our internal business purposes.
Online Services currently consist of:

• 1 personal profile assessment and access to online report for the duration of your Korn Ferry Advance membership
• 24/5 personal coach support
• Unlimited access to an automated resume review system for the duration of your Korn Ferry Advance membership
• Unlimited access to your profile and interview prep module for the duration of your Korn Ferry Advance membership
• Access to job board for the duration of your Korn Ferry Advance membership

Korn Ferry reserves the right to modify, add or discontinue portions of the Online Services at any time without notice to you.
